Proper adherence: - Ensures uniformity and discipline across units - Promotes safety and operational readiness - Projects a professional image to civilians and allied forces - Upholds the navy's reputation and integrity Deviations from these standards, whether subtle or blatant, can compromise these objectives and result in formal disciplinary procedures, including counseling, fines, or even court-martial in severe cases.

1. Improper Uniform Wear and Fit

Understanding Proper Fit and Wear

One of the most basic yet critical regulations concerns how the uniform is worn and fitted. A uniform that does not fit correctly or is worn improperly can be grounds for discipline. Any modifications that deviate from official standards—such as cutting, stitching, or adding decorative elements—are strictly prohibited.
