The Birth of the Story

"Moomin and the Great Flood" was first published in 1945 as part of the "Moomin Tales" collection. Unlike some of the other stories that focus on small-scale adventures or whimsical life lessons, this particular narrative was inspired by Jansson's reflections on environmental vulnerability and societal upheaval. The story was conceived during a period when Jansson was contemplating the stability of natural landscapes and the impact of human activity on the environment.

Literary and Artistic Influences

Jansson drew inspiration from various sources, including:
