Digital highlights remain accessible and searchable, making review sessions more efficient than flipping through physical pages.

Digital annotation tools further support active engagement. Notes, comments, and highlights can be added directly to the document, keeping insights closely connected to the source material. These annotations can be edited, expanded, or reorganized as understanding evolves over time.

Some readers also support linking annotations to external notes or documents. This integration allows learners to build a comprehensive study system that combines Bonjour Tristesse English with supplementary resources such as lecture notes, articles, or multimedia content.
