This novel offers a profound insight into Igbo society before the arrival of European colonizers, portraying a complex picture of tradition, change, and conflict. Its rich narrative, compelling characters, and vivid depiction of cultural practices make it a landmark piece of literature that continues to resonate with readers decades after its release.

Introduction to Things Fall Apart

Published in 1958, Things Fall Apart is Achebe’s debut novel and is widely regarded as the most significant book in African literature. It explores the life of Okonkwo, a respected leader and warrior in the Igbo community of Umuofia, as he grapples with personal pride, societal expectations, and the looming impact of colonial influence. The novel’s title, borrowed from William Butler Yeats’ poem "The Second Coming," signifies the disintegration of traditional Igbo society in the face of external forces and internal conflicts.

Plot Overview and Themes

The novel is structured around the rise and fall of Okonkwo, whose tragic flaw—his stubbornness and fear of appearing weak—drives much of the story’s tension. The narrative begins with Okonkwo’s background, his achievements, and his

internal struggles. It then transitions into the arrival of British missionaries and colonial officials, which introduces themes of cultural clash, change, and the loss of identity.
