The Complete Guide To Godly Play

The complete guide to Godly Play Godly Play is a unique approach to religious education that emphasizes spiritual development through storytelling, wonder, and active engagement. Designed to nurture children's faith and understanding of biblical stories, this method has gained popularity among churches, Sunday schools, and faith-based organizations worldwide. If you're interested in implementing or learning more about this transformative approach, this comprehensive guide will walk you through the core principles, structure, benefits, and practical tips for practicing Godly Play effectively.

What Is Godly Play?

Godly Play is an educational approach rooted in Montessori principles, created by Dr. Jerome Berryman in the 1970s. It focuses on inviting children into a sacred space where they can explore biblical stories and spiritual concepts through storytelling, silence, and creative response. The goal is to help children develop their relationship with God and foster their spiritual curiosity.

Core Principles of Godly Play

1. **Storytelling as a Sacred Act:** Stories are told in a way that highlights their sacredness, encouraging children to listen attentively and reflect deeply.
2. **Respect for Children's Inner Lives:** Children are seen as capable, curious, and spiritually receptive, deserving of respect and attentive listening.
3. **Use of Materials and Environment:** The environment is designed to be inviting, with carefully chosen materials that help children engage tangibly with stories and concepts.
4. **Silent Reflection and Response:** Silence is valued as a time for internal processing, allowing children to connect personally with the stories.
5. **Theological Depth and Simplicity:** The stories are presented in a way that is accessible to children but rich enough to foster spiritual growth.

Structure of a Godly Play Session

A typical Godly Play session follows a predictable yet flexible structure that guides children through storytelling, reflection, and response. Understanding this structure is essential for effective implementation.

1. Gathering and Setting the Sacred Space

Before beginning, the facilitator creates a welcoming environment, often with a designated sacred space featuring storytelling figures, a story cloth, and quiet, inviting surroundings.

2. Opening Rituals

The session usually starts with a simple ritual, such as lighting a candle, singing a song, or a moment of silence to center children's attention and mark the transition into a sacred space.

3. The Storytelling

The core of the session involves telling a biblical story or spiritual lesson. The storyteller uses storytelling figures and visual aids, engaging children through expressive language and gestures.

4. Silence and Reflection

After the story, children are given time for silent reflection. They may choose to sit quietly, ponder the story, or process their thoughts internally. This period fosters personal connection and insight.

5. Response and Creative Engagement

Children respond to the story through various activities such as:

1. Choosing from a set of response materials (e.g., clay, drawing, storytelling figures)
2. Sharing their thoughts or feelings about the story
3. Engaging in prayer or song

6. Closing and Transition

The session concludes with a closing ritual, such as extinguishing the candle, singing a closing song, or a prayer, helping children transition back to their regular activities.

Materials and Environment in Godly Play

The environment plays a crucial role in creating a sacred space conducive to spiritual growth.

Essential Materials

1. **Story Figures:** Wooden or felt figures representing biblical characters and stories.
2. **Story Cloths:** Textiles that serve as backdrops for storytelling and visual focus.
3. **Response Materials:** Clay, paper, drawing supplies, or small props for children's responses.
4. **Lighting:** Soft lighting, often with candles, to evoke a contemplative atmosphere.
5. **Quiet Space:** An area free from distractions where children can focus inward.

The Complete Guide to Godly Play: An Investigative Review In the landscape of religious education and spiritual formation, few approaches have garnered as much attention for their depth, flexibility, and child-centered philosophy as Godly Play. Originally developed by Jerome Berryman in the 1970s, this pedagogical model combines storytelling, Montessori-inspired techniques, and contemplative practices to foster a meaningful encounter with faith for children and adults alike. This comprehensive guide aims to explore the origins, principles, methodology, benefits, and practical implementation of Godly Play, providing educators, clergy, parents, and researchers with a detailed understanding of this influential spiritual practice.

Understanding the Origins and Philosophy of Godly Play

The Birth of Godly Play

The roots of Godly Play trace back to Jerome Berryman, a theologian and educator with a background in early childhood development. Berryman was inspired by the Montessori method, which emphasizes hands-on learning,

independence, and respect for the child's innate spirituality. Recognizing that traditional religious education often relied heavily on didactic teaching and rote memorization, Berryman sought to create a model that honored children's natural curiosity and capacity for spiritual understanding. In the early 1970s, Berryman developed a program that integrated storytelling with a carefully prepared environment, materials, and reflective silence. His goal was to allow children to encounter sacred stories in a way that is both accessible and profound, enabling them to connect their personal experiences with the larger Christian narrative.

Core Philosophical Principles

At its core, Godly Play is rooted in several key philosophical principles: - Child-Centered Learning: Respecting the child's inner spiritual life and allowing them to explore faith at their own pace. - Story as a Sacred Tool: Using stories as the primary means of conveying religious truths, emphasizing their sacredness and relevance. - Use of Materials: Incorporating tactile, symbolic materials that facilitate active engagement and deeper understanding. - Contemplative Silence: Allowing space for reflection, prayer, and internal processing after storytelling. - Inclusive Approach: While rooted in Christian tradition, the model encourages openness and respect for diverse spiritual expressions. These principles work synergistically to create an environment where children are invited into a sacred space for discovery, rather than mere transmission of doctrinal knowledge.

Core Components and Methodology of Godly Play

The Environment

The physical setting of Godly Play is intentionally simple, sacred, and welcoming. Key features include: - A Quiet, Well-Organized Space: Free from clutter, with designated areas for storytelling and exploration. - Materials and Symbols: Carefully curated objects such as story figures, icons, sacred objects, and storytelling boxes. - Natural Light and Calm Atmosphere: To foster reverence and focus. This environment signals to children that they are entering a sacred space dedicated to exploration and reflection.

The Storytelling Process

Storytelling is the heart of Godly Play, carried out in a specific manner: - Preparation: The storyteller prepares by prayerfully reflecting on the story and choosing appropriate materials. - Introduction: The story is introduced gently, often with a question or invitation to listen. - Storytelling: The story is told using the materials, sometimes with minimal words, allowing the children to engage directly with the objects. - Pace: The storyteller allows pauses, giving children time to absorb and reflect. - Response: Children are encouraged to engage with the story through silence, questions, or choosing related materials. This method emphasizes the sacredness of the story and respects the child's response as part of the learning process.

The Use of Materials

Materials are crucial in Godly Play, serving as tangible representations of spiritual truths: - Story Figures: Small, carved or painted figures that depict characters and scenes. - Story Boxes: Containers holding the figures and symbols associated with a particular story. - Symbolic Objects: Items like stones, candles, or crosses that represent deeper spiritual themes. - Creative Materials: Paper, paint, or natural objects for children to express their reflections. Materials are handled with reverence, often introduced with a blessing, reinforcing their sacred nature.

The After-Story Reflection

Once the story concludes, children are invited to respond in various ways: - Choice of Materials: Children may select figures or objects to retell or represent the story in their own words. - Quiet Reflection: Time for silent prayer, journaling, or internal processing. - Sharing: Children may share insights, questions, or personal connections. This reflective phase helps solidify understanding and nurtures an ongoing relationship with the story and its themes.

This approach nurtures a child's spiritual development in everyday life.

Digital highlights remain accessible and searchable, making review sessions more efficient than flipping through physical pages.
